TROUBLESHOOTING TIPS

- To login, use the same email address used to purchase on the kravis.org site. This is also the email you use to log into your kravis.org account.
- The revolving QR code works best when using your mobile device in light mode. If experiencing any issues with your tickets or revolving QR code, refresh the page.
- Still need help? Contact the Box Office (M-F 12pm-5pm or Will Call 2 hours prior to your scheduled performance) at 561.832.7469 or boxoffice@kravis.org.
