(1) 6’ Kawai Concert Grand
(1) 6’ Yamaha Concert Grand C3F
(1) Studio Yamaha upright piano

TRUCK, BUS AND CAR PARKING

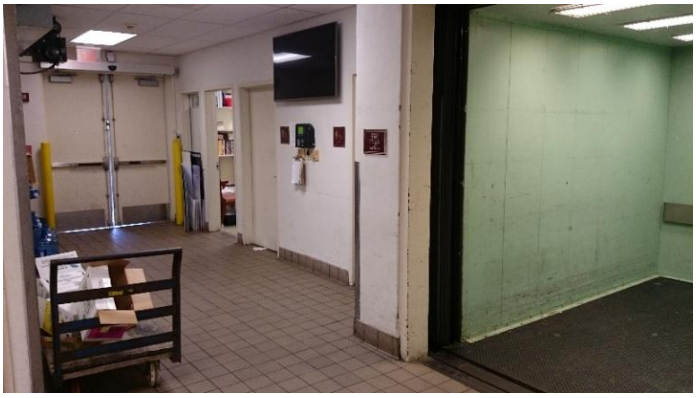

Long term truck and bus parking must be prearranged with KCPA Technical Director. Car parking is available in the garage at no charge. Garage maximum height is 6'10".

LOADING DOCK

The Loading Dock is located off of Tamarind Avenue on the west side of the building. There is one bay with a load leveler. The loading dock is 4' high with approximately 350 square feet of receiving area. The loading dock doors are 6' wide (5' 1" usable) X 8' high. The freight elevator is located just inside the loading dock doors on the left hand side. The freight elevator is about 5.75' wide x 8' high x 10.29' deep with a total load capacity of 6000 pounds. The freight elevator has landings on the Banquet level, Mezzanine level, Education level and the Administrative level.
